

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK

-----X  
HOPETON MORRISON, 03-A-4036,

Petitioner,

07 Civ. 3576

-against-

ORDER

ROBERT ERCOLE,

Respondent.  
-----X

P. KEVIN CASTEL, District Judge:

The docket in this case incorrectly lists, as entry # 9, a motion for a writ of error coram nobis entered on 11/27/2007. (Docket # 9.) The motion for a writ of error coram nobis was filed in New York State court and should have been docketed as an exhibit to "Petitioner's Reply To Respondent's Declaration And Memorandum of Law in Opposition To Petition For Habeas Corpus Relief." (Docket # 10.) Thus, no motion for a writ of error coram nobis is pending in this Court.

SO ORDERED.

A handwritten signature in black ink, appearing to read "P. Kevin Castel".
